

In the Darkness- Mike Omer

This is the second book in the Zoey Bentley series. I've already read the first book called "A Killer's Mind". I read that one last year so there won't be a review on it. I started this book on 6/18/2021. I finished this book on 7/7/2021. OMG!!! This book was exciting but just due to life it took me longer than usual. I really (REALLY) like Mike Omer's writing style. This book is very suspenseful. It didn't take long to get interested in the story because this is book 2 of Zoey Bentley and she is a bad ass! I'm not going to give too much away but I wouldn't have wanted to be her in this book. She becomes the victim and her sister is victimized at the same time. Different people but MAN.....

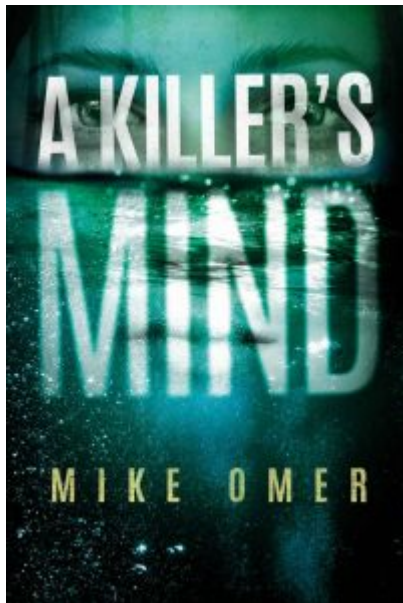

Her partner really came through for her and dug up (pun intended) some very helpful intel to get her safe.

A Killer's Mind – Mike Omer

Started this book on 6/16/2021. I like Mike Omer's writing style. I think I may have read this book before though. This is the first book in the Zoey Bently series. I'm only a few chapters in and so far I like it. There are a lot of themes in the first few chapters of very similar books that I've read.

So...I actually have already read this book. It was really good. I'm going to NOT count this as a book read this year. I will start book 2 in the series today. 6/18/2021.

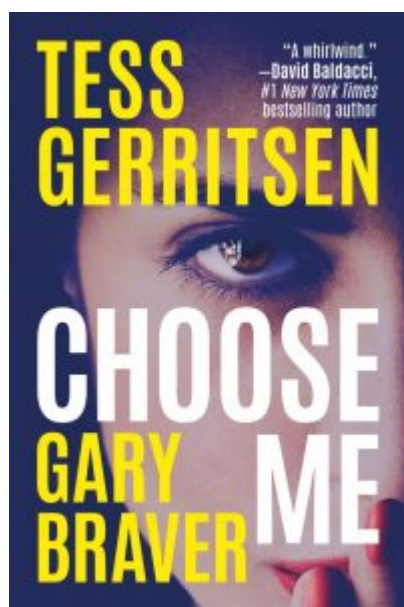

Choose Me by Gary Braver

This is another Amazon first read book. So it was free. Starting it on 6/7/2021. Looks like another Character Chapter style book. I tend to like those style of books. Lets you have a different perspective throughout the read. 290 pages long. Kindle says it is a 4:50 minute read.

I'm just a little over half way done with this one. Writing style is just OK. I'm sure the twist is coming but it's really not a page turner. Taryn committed suicide...or did she... The more we learn the more it seems it may be a murder. A "whodunit". There's only a couple of characters so Scoob finds some clues. She was pregnant, probably by her professor who is married and had a one night stand with her. She is clearly a little Koo Koo though too. Jack her prof is a straight shooter, until he cheats on his wife with Taryn at a literature conference. Taryn is still crazy about her ex-boyfriend Liam. Liam has moved on but Taryn doesn't accept that...yadda yadda. Cody, Taryn's friend, wants to be more than friends by Taryn isn't into him. I suppose it could be Jack's wife who pushed her off the building though. We'll see "whodunit".

6/15/2021 I just finished the book. Never saw the ending coming. This was a really good ending.

The Next Wife by Kaira Rouda

Started on May 28th, 2021. An Amazon first read. Never read the author before. Looks like short “person” chapters.

So far I’m about 15 chapters into the book. I don’t really like it and I’m sure there is a twist in the book. The writing is good, I just don’t like the content. Man cheats on his wife with a girl half his age (actually just a few years older than his daughter). The man and his ex (and actually his new wife) all work together that he and the ex built and own. After the company goes public the new wife takes him to Telluride and he dies. Funeral goes on in home town (after cremation in Telluride) and ex wife and new wife are fighting over the company. I’ll let you know how it finished.

Finished on June 7th, 2021. Didn’t really care for it.
