

# A.R. Torre – The Good Lie

4/2/2022 started. Amazon First Read I believe. Just started so nothing to write yet. 4/16/22 Just finished. Twisted for sure. Dr. Moore, a criminal psychiatrist has a client that wants to kill his wife. So she thinks. Six high school kids are abducted and killed left without a penis and a heart carved into their chest. The father of one of the boys is a lawyer who is representing the apprehended alleged killer. He knows he's not the killer though and Dr. Moore has to profile him (the alleged killer). To many twists and turns, the ending is intense. Give this book a 8/10. Characters are memorable. Not a scooby doo mystery.

---

## Colleen Hoover It ends with us

This was a book recommended from a TikTok post. I started the book on 3/23/22. Four chapters in. Storyline not yet

unfolding. Characters are easy to remember so far. Lily is a young single living in Boston. Starting her own flower business. She meets Ryle (yes like Kyle but with an R). She writes to Ellen DeGeneres in her "diary". Chapters are long though.

Most of the chapters were doable. Poor Lily. I mean that. She was torn between 2 men. She watched her mother in an abusive relationship. 1 man was homeless when they met. She saved his life but he never felt good enough for her. The other man, a neurosurgeon, was almost everything. Except he was the abusive one.

Finished on 4/2/22. 10 days.

## **The Shark and the Goldfish**

### **Jon Gordon**

Inspirational/Self Help: This book only has 73 pages and is illustrated. I read it on 3/30/22. It only took about half an hour to read. Which are you? The shark or the goldfish? It all depends on your outlook in life.

# THE SHARK AND THE GOLDFISH
