

Lucinda Berry – Under Her Care

Started this book on 7/9/2022. One of my favorite authors...This should be a good one.....

It did NOT disappoint. Her writing is dark. Subjects I certainly don't like talking about. Genevive is a mother of an "autistic" son. She also has a daughter in college so most of her attention is focus on the son. He is accused of a murder but with his autistic symptoms no one believes that he could have done it.

So who did it and why....

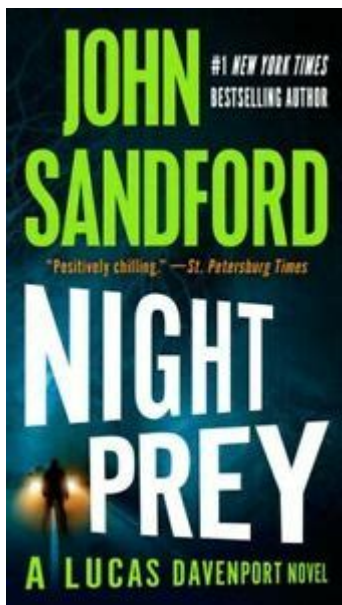

Great book. I finished on 7/20/2022 so 11 days to read this one. It keeps you guessing until the very end. I give it a 9/10. Chapters were short, characters were very well written and I just love the dark content.

John Sandford – Night Prey (book 6)

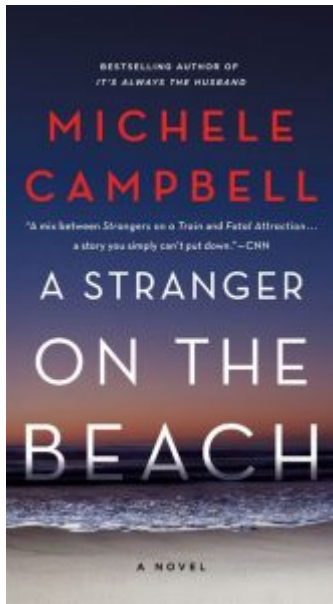

Going back to an old friend. Lucas Davenport. Started on 6/17/2022. (I did start this book on 6/17 but we went on vacation and I read a book during that trip so my reading days of this book are skewed a bit).

Lucas is Deputy Chief and working on a crime where the criminal (Koop) guts women. It was a long story and Lucas is still with Weather but has a wondering eye when it comes to women anyway. One of the cops on the force with him (a female) has cancer and is very sick. She wants to catch the criminal before she dies of cancer. Well they catch the killer (koop) but.... the cliffhanger.

I finished this book on 7/8/2022. 30 days....Ugh, that's to long.

Michele Campbell – A Stranger on the Beach

This book was given to me for fathers day. I saved it for a couple of days as my “vacation” book. A physical book given to me by Delaney. I started the book on 6/25/2022 and finished on 6/30/2022. Yep 5 days.

I really enjoyed the book. Chapters were short. Story was good although a little predictable towards the end.

Aiden (the local bad boy) meets Caroline (the rich lady who built a house on his Granddaddy’s land). They have a one night stand because Caroline thinks her husband is cheating on her. So turn about is fair play. Well the story goes way deeper than that. Caroline’s husband is into some “deep” trouble with some bad mamma jamma’s and ends up not alive...Did Aiden do it? Did Caroline do it? Did the bad mamma jamma’s do it? Like I said the ending was a little predictable but the book was thoroughly enjoyable. I give it an 8/10
