

# The Neon Lawyer ~ Victor Methos

Book 1 of the series. I bought this book from Amazon for 1.99. I started on 4/2/23. It's short. Only 178 pages. I've read 3 chapters already. Short chapters...

I really liked this book. Finished on 4/9/23. 7 days to finish. It was well written. Characters were memorable and it leads right into another book in the series. The newly sworn in lawyer loses his first minor case. It's a DUI but his boss gives him the case of a lifetime. A murder case where the murderer in question is seen by at least 5 witnesses pulling the trigger. She (yes it's a woman on trial) goes on trial. When we find out why she did what she did, it's understandable and the jury agrees. I give this book a 9/10 for enjoyment. I will read the rest of the books in this series!

# Tarryn Fisher ~ The Wrong Family

I started this book on 3/20/23. This is an Amazon First Read. I finished the book on 4/2/23. It wasn't my favorite. Chapters are written in characters so I liked that. Some chapters were long (up to 30 minutes reading). Story line although very easy to follow the book started out like you should know what's going on. Introduction of one of the main characters and why she was behaving like she was didn't come until about 50% of the book. We knew "what" she was doing but not why. Juno, a homeless psychiatrist is squatting in a crawl space. Winnie and Nigel have secrets. Juno exposes them.

I give this book a 6/10. 13 days to finish.
