

J.T. Ellison ~ A Very Bad Thing

Started this book on 10/14 and finished on 11/27/24. It's not that it wasn't a good book, it was super long. 499 pages. It's the first time I've read the author. Chapters were on the long side. The move was going on and we were very busy a lot. When it came time to read, I could only stay away for a few pages.

Characters were well written. You knew who everyone was. Once it unfolded and *all* the secrets were revealed it was easier to understand.

Famous author dies in her hotel room. The reporter who has been following her for her story is blamed. Turns out it's not her. The strange man, is it her ex husband, is blamed. Not him either. Then there is the woman who was invited to the book signing out of the blue. Not her either. Read it to find out who did it.

Giving this book a **6/10** just because it took soooo long to read. **44 days** to read this book.
