

Nicole Perlroth – This Is How They Tell Me the World Ends

This is a book I heard about on Darknet Diaries. The last book I read from hearing him talk about was amazing! I'm hoping this one will be too.

I started this book on 8/24/2021.

Soooo...There's like 65 chapters in this book. Each chapter seems to tell the same story from a different perspective. This ISN'T a how to hack book but goes deep into political state hacking and the NS0 group. I only made it through like 30 chapters and kind of got tired of the book. I rate this about a 6/10. I may come back and finish it in the future. It also seemed to take me forever to get through what I did read. I'm going back to reading the suspense stuff.
