

Steven Konkoly ~ A Clean Kill (Garret Mann Book 1)

Amazon First Read: Started on 7/1/24. I really liked this book. The characters are memorable. There are a lot of acronyms in the book that get a little muddy sometimes. Overall really liked it. Finished on 7/18/24. 18 Days.

Garret and his cohorts are on the chase of a serial killer who dumps his victims from north to south. Florida to Minnesota. What they find is way bigger than just one man.

Serrano, a Mexican police officer, has joined Mann's team. She's a badass looking to avenge her mother's killer. Does she get her vengeance? Read the book to find out.
