

Steven Konkoly ~ Deep Sleep (Devin Grey Book 1)

I found this author and just finished 1 book. I'm starting this book in the Devin Grey series on 7/19/24. I'll let you know how it goes. I just finished this book on 8/16/24. That's the longest it's taken me to read a book. I mean it was OK but not that great. Lots of geopolitical stuff and Russian sleeper network in the US. Names became muddy but the main characters were written well. Devin's mother left him cryptic notes to find the mother load of info on the sleeper cell. He recruited people to burn it to the ground. Well, they didn't exactly do that.

I'm giving this book a 6/10. **29 days...**Damn.
