

MRM ~ Giant Steps Strawberry

3/8/25 (Day 1)

1 Gallon recipe

3 lbs frozen strawberries

3 lbs orange blossom honey

1/2 packet Mangrove Jacks yeast

1 gallon spring water

1 tsp pectic enzyme

Thawed strawberries with pectic enzyme. Mashed as best I could and mix ingredients.

S.G. = 1.078 about 10.3% ABV if goes dry.

3/10/25 (Day 3)

added yeast nutrient

3/22/15

Racked, stabilized and added Sparkolloid to clear.

It's clearing nicely too.
