Anna (Adria) lost her memory and showed up to a strangers house freezing cold and wet in the middle of a blizzard. Gregg let her in. With no memory she knew nothing of her life. Strange things start to happen in the house. Making her question her sanity. A stranger showing up at the door makes her question who she is. She struggles between visions of real life and her past.

Turns out it’s not her past but her story. She’s an author.

Great book and an easy read. Chapters were short and characters very well defined.
