John Marrs ~ The Good Samaritan

6/12/25. TikTok recommended this book. I've read John before. I just finished Lucinda's book last night. I think it's going to be along the same lines…. haha get it?

6/21/25. Finished in **9 days**. Well this book is certainly a twisted revenge story. Laura, the "End of the Line" volunteer finds "candidates" to help end their life to listen to their last breath. Ryan's wife is one of those victims. He goes to great lengths to get her back for ending his wife's life. Who wins in the end? Read it to find out.

I couldn't put this book down once it got to the "meat" of the story. Giving this book a 9/10. Chapters were short, characters very well written.
