

# Camden Baird ~ The Last Morning

Version 1.0.0

Started on 12/2/25 and finished on 12/16/25. 14 Days.  
Great Book for SURE!!! Had you going from first chapter.

Chapters are short and character written. Love that.  
Characters are easily recognizable.  
Sadie, the mom sends her child to kindergarten reluctantly.  
Allen the husband has been married before and has a son with previous wife Teresa.  
Is Teresa crazy? Kate the teacher has a grudge against Allen. Who took Emma? Read it to find out...
