Lee Goldberg ~ Murder by Design

Amazon first read. Started on 5/11/26. 245 pages. Looked good so I thought I'd try it.

Edison Bixby. Detective. Shot in face. Lived. Needed a side kick to continue to work.
Grant Murdock. Executive chef, narcissist and playboy. Drops dead from his Gumbo recipe at a big event.
Bridget McGregor. Detective.

Finished 5/20/26. Really good book. Main characters well written. Names got confusing later in the book but mysteries were still solved.
I will read the other books that come out in this series.

9 Days. I'm giving this book a 9/10. It kept my interest.
