

# Eric O'Neill ~ Spies, Lies and Cybercrime

Started this book on 6/20/26. The chapters are well written so far and examples seem to be useful.

I'll let you know when I finish.

I finished this book on 7/4/26. Yep July 4th. In DC waiting for fireworks that night!

It gets me how lame I am with some of the techniques he's writing about. Using the same password. I'm guilty of that.

Great book anyway and I watched the movie too. He's pretty cool

Giving this book a 9.5/10 because it interested me.
