

Mike Omer ~ In the Killer's Sight

Amazon first read. Book 1 Kate Marino Thriller. Started on 8/7/26

I've read Mike before. I'm pretty sure I'm going to enjoy this one!

Finished 8/25/26. 18 days. Not to bad.

Kate gets herself and her dogs into trouble. The dogs get her out of trouble.

Her niece gets kidnapped and Kate has to find her. The suspect list grows short and it seems to be one of their own.

Chapters were short and characters very well written.

I liked the story. Giving this book an 8/10
