

John Sandford Eyes of Prey

I started this one on 12/17/2021 and WILL finish by end of the year. I'm actually like 70% done with the book when starting this post. The story line is creepy. 2 killers. Think "Throw Mama from the Train". You do mine and I'll do yours. Except now it's like you do three for me and I'll do one for you. Lucas is hot on the trail. He thinks he has one of them and the other he's not sure about. We will see when I finish it.

His girlfriend in this book is Cassie. She's an actress at a theater. I finished the book on 12/30/21. Loved it. Lucas is still the man solving the crime. Give this a solid 8/10.
