

John Sandford Silent Prey

I started this one on 1/18/2022 and finished on 2/5/2022. Another great "Davenport" novel. Still love the writing style of JS. He finally gets the villain that he has been chasing. This time he was cutting out the eyes of his victims so they wouldn't "watch" him from beyond the grave. Loved the book. Didn't take me long to finish it. Not sure he "hooked up" with anyone in this book. He wanted to a couple of times with some old cop friends of his while he was in NYC.
