

Lucinda Berry – Under Her Care

Started this book on 7/9/2022. One of my favorite authors...This should be a good one.....

It did NOT disappoint. Her writing is dark. Subjects I certainly don't like talking about. Genevive is a mother of an "autistic" son. She also has a daughter in college so most of her attention is focus on the son. He is accused of a murder but with his autistic symptoms no one believes that he could have done it.

So who did it and why....

Great book. I finished on 7/20/2022 so 11 days to read this one. It keeps you guessing until the very end. I give it a 9/10. Chapters were short, characters were very well written and I just love the dark content.
