

Colleen Hoover & Tarryn Fisher – Never Never pt. 2

Started on 9/23/2022. If part 2 is half as good as part 1 I'm probably going to finish it soon. Finished on 9/25/2022. Yes only 2 days. It was pretty short. We find out a lot of information about the kids. Charlie is locked up somewhere. Silas can't remember much but goes looking for her. Finds her and rescues her. They spend the night in a motel and review all the notes and journals.

I LOVE this series. Giving this a 9/10 only because I think she could include a lot more detail.
