

Colleen Hoover & Tarryn Fisher – Never Never pt. 3

Started on 9/25/2022 and finished on 9/26/2022. Yep 24 hours to finish this one. Do you believe in love at first sight? How about “soul mates”? Charlie and Silas are soul mates. When life rocks the boat with family and legal issues the soul mates get “rocked” out of their memory.

Great story. All in all I give all three parts a 9/10. She could have included “the shrimp” a little more or wrapped up the families coming back together for the kids. The ending chapter is cool though. At least Charlie and Silas know what is coming.....
