

The House Guest – Mark Edwards

I believe this was an Amazon first read, either that or I purchased this book. I really like the author and his writing style.

I started this book on 12/13/22 and finished on 12/23/22. 10 days. I blew through this book quick. I really like the writing style, chapters were short and characters were very well written. Eden, a mysterious stranger knocks on the door and Adam answers the door. He and Ruth invite the stranger in and the fun begins. It took a very serious turn in part 2 where Ruth gets “kidnapped” and Adam has to search for her and Eden. Part 3 is the true kicker cause this book takes a serious turn. Not going to spoil anything. I give this book a 9/10.
