

# Appetite for Innocence – Lucinda Berry

Damn! I purchased this book on sale. I LOVE this author. She is amazing. I'm only about 20% done with this book but man I can't put it down. I started on 12/26/22 and plan on finishing before the end of the year. Chapters are short, characters (there's really only 3 characters) are very well written and you really start to feel for them early in the book. Sara, Elle and Paige are girls who have been kidnapped and held hostage in the basement of John's house. That's all I'm going to say for now. Well I finished this book on 12/30/22. It's a good thing I finished when I did cause we got sick and I wouldn't have been able to reach my goal of finishing it before the end of the year.

She (Lucinda) is a freaking rockstar. I don't know how but I literally couldn't put this book down. The pain the girls experienced came through so vividly. I'm not giving anything away about the ending so I'll just say I give this book a 10/10. I absolutely loved it. 5 days to read it.
