

Someone Else's Life ~ Lyn Liao Butler

This is an Amazon First Read book. I actually got 2 books in December for some reason. I just finished Billy Boyle today but will start this book later. Starting day 1/18/23. I finished the book last night. I did NOT like this book. The writing was way to frilly for me. There was a lot of story that didn't need to be there. The characters were well written, but there was way to much between the two main characters.

Annie has what seems to be the perfect life. She lives in Hawaii with her husband and son. Serena, the lady who has been stalking Annie claims that Annie's son is her son. A "once in a lifetime" storm is going on and Serena wants her son back.

I finished the book on 1/29/23. 11 days. I just didn't like the writing. Giving this book a 6/10
