

Rachel Caine – Wolfhunter River – Book 3

2/16/23 8:54a.m. I just finished book 2. Killman Creek. I'm starting this one today and I hope it's as good as the last 2.

2/24/23. 8 days. I just finished Wolfhunter River. It was good but not as good as book 2.

Gwen, Sam and the kids have to skirt over to Wolfhunter to help out Vee. A 15 year old girl who's mother was killed. When things take a wrong turn everyone ends up getting beat up / bloodied and bruised.

Lanny helps Vee talk about the incident and the lawyer ends up getting his due in the end. Gwen takes a Private Eye job at the end of the book. Ready for book 4.

I give this book a 7/10. The characters (although we know them already) are well written, the chapters are JUST SO LONG! They are written in character chapters though. I like that.
