

The Neon Lawyer ~ Victor Methos

Book 1 of the series. I bought this book from Amazon for 1.99. I started on 4/2/23. It's short. Only 178 pages. I've read 3 chapters already. Short chapters...

I really liked this book. Finished on 4/9/23. 7 days to finish. It was well written. Characters were memorable and it leads right into another book in the series. The newly sworn in lawyer loses his first minor case. It's a DUI but his boss gives him the case of a lifetime. A murder case where the murderer in question is seen by at least 5 witnesses pulling the trigger. She (yes it's a woman on trial) goes on trial. When we find out why she did what she did, it's understandable and the jury agrees. I give this book a 9/10 for enjoyment. I will read the rest of the books in this series!
