

John Sandford – Secret Prey (book 9)

Ah, back like an old friend. Book 9. I started on 4/9/23. Let's see if Lucas can get his man this time....

I finished the book on 4/28/23. 20 Days to read this one. The rich are not unlikely to get away with murder when Lucas is on the case. Him and Weather are still broken up. A shooting in a deer stand killing the person who would become the bank president leads to the investigation that reveals many, many more killings in order to advance a career. Except it isn't a man this time and she goes after Lucas's friends. She firebombs Weathers house and beats up and nearly kills Sister Mary. Lucas takes this very personally but in the end....
