

Chad Zunker ~ All He Has Left

Amazon First Read. I started this book on 4/29/23. I'm about 7 chapters into the book. Chapters are short and characters well defined. I finished on 5/6/23. Great read. Chapters are short (ish). Characters were well defined and I felt like you could picture each one in your head.

Main character loses his wife in a car crash. Then a year later his daughter gets kidnapped. He has a hitman chasing him as he goes on the run from the FBI and local Austin police in search of getting his daughter back. Lot's of people die and the truth finally comes out!

I give this an 8/10. I really liked it.
