

The Next Wife by Kaira Rouda

Started on May 28th, 2021. An Amazon first read. Never read the author before. Looks like short “person” chapters.

So far I’m about 15 chapters into the book. I don’t really like it and I’m sure there is a twist in the book. The writing is good, I just don’t like the content. Man cheats on his wife with a girl half his age (actually just a few years older than his daughter). The man and his ex (and actually his new wife) all work together that he and the ex built and own. After the company goes public the new wife takes him to Telluride and he dies. Funeral goes on in home town (after cremation in Telluride) and ex wife and new wife are fighting over the company. I’ll let you know how it finished.

Finished on June 7th, 2021. Didn’t really care for it.
