

Peter Swanson ~ Before She Knew Him

This was a TikTok recommendation. I started this book on 6/27/23. I really (like really really) enjoyed this book. The writing style was good, characters well defined and the plot was really good. Chapters were a little longer than I'd like but the story keeps you interested all the way through.

Hen, a bipolar, researched the murder of a local college student. Hen and Lloyd moved into a new house. Their new neighbors invited them over for dinner and that's when Hen saw it... She knew right then and there. But what she didn't know is the rest of the book. I finished on 7/15/23. **19 days to finish** but it felt a lot quicker than that. I'm giving this book a 9/10.
