Wynotn Marsalis ~ Moving to Higher Ground

Well this one needs no introduction. I started this book on 7/15/23. I really don't want to rush through this one so I may just read it leasurely for enjoyment. I finished this on 8/14/23. Yes it took me a while but I didn't read it every day like I do with other books. This isn't a "how to" book but there are a lot of rabbit holes that could be explored from the book. I like his take on Bix. I feel like I didn't give Bix's week a fair shake. I must listen to more Bix. His feelings of Miles are about the same as mine. It's just like…"uh, ok".

So it took me 30 days, but it was worth it.
