

Riley Sager ~ Lock Every Door

I started this book on 7/21/2023. I finished on 7/30/2023. **9 days.** This was a TikTok recommended author. This book was amazing. Characters were very well written. Chapters were fairly long though. Story had a couple of twists that kept you interested throughout the whole book.

Jules, a broke 20 something, needs a job, a place to live and a new boyfriend. She reads an add that will pay here to live in the nicest building in Manhattan. The Bartholomew isn't exactly haunted, but there are some strange things going on. Read it to find out.

I'm giving this book a 9/10 and can't wait to start the next book from Riley.
