

Riley Sager ~ The Only One Left

I just finished “Lock Every Door” by Riley and I’m going to start this one today. Started on 7/31/2023. If this is half as good as the last one, I’m going to like it. 8/11/23 and I finished this book. **12 days.** Not sure why it took me so long but this book was really good.

Kit may have let her mother commit suicide yet she gets hired to be a caregiver for Lenora. Lenora has secrets of her own and the more the story goes on the more we find out all the secrets in Hope’s End. (That’s the house). Once the secrets are revealed the house has it’s last say. Great book with lots of secrets. Characters are very well written and you never loose track of who is who. Chapters are somewhat long but it’s a great read regardless. **Giving this book a 9/10.**
