

Freida McFadden ~ The Housemaid

This is a TikTok recommended book. I started on 9/1/23. I left another book because it was boring and started this one. 2 pages in and I'm already "hooked". 9/7/23. 6 Days. 6....Days....OMG this is a masterpiece. It had me hooked from the first page and it never let up. Millie, a parolee needs a job and to stay out of prison. The perfect job became available being a housemaid for a very wealthy family. Nina, the wife is bat shit crazy. Or is she? Andy, the husband is a handsome and loving man. Or is he? Crazy stuff goes on in the first part of the book. In the second part we find out why and in the thirds part. Holy S Balls!!! I couldn't put it down. This book is getting a 10/10. Chapters were short, characters were very well defined and the plot and twists were perfectly written.
