

MRM ~ Baise's Pear/Blueberry cider

Baise's Pear/Blueberry cider

1 Gallon G.V. Apple Juice

64 oz G.V. Pear Juice

2 cups blueberry crumble tea

12 oz Brown Sugar

1 tsp acid blend

2 tsp Diammonium Phosphate

1/2 pack Lalvin 71B yeast (it was a little old so I don't know about this one)

O.G. = 1.054

10/11/23

F.G. = 1.000 7.1% ABV

I kegged this today. Back sweetened with a little honey just to make it pop a little and added some tannin to it. Full gallon in the keg.
