

Lucinda Berry ~ Missing Parts

I started this book on **11/2/23**. Well...you know, it's Lucinda so no explanation needed. **11/9/23** finished the book. Celeste, a wife and mother, has the perfect life. Until her daughter gets sick and doctors can't figure out what is wrong with her. Celeste's husband turns out is not the father.

The second part of the book is an AA advertisement. The group helps Celeste find her way. Turns out she's not in as much trouble as she thinks.

Book was good but not great. Giving a **7/10**
