

# In the Darkness- Mike Omer

This is the second book in the Zoey Bentley series. I've already read the first book called "A Killer's Mind". I read that one last year so there won't be a review on it. I started this book on 6/18/2021. I finished this book on 7/7/2021. OMG!!! This book was exciting but just due to life it took me longer than usual. I really (REALLY) like Mike Omer's writing style. This book is very suspenseful. It didn't take long to get interested in the story because this is book 2 of Zoey Bentley and she is a bad ass! I'm not going to give too much away but I wouldn't have wanted to be her in this book. She becomes the victim and her sister is victimized at the same time. Different people but MAN.....

Her partner really came through for her and dug up (pun intended) some very helpful intel to get her safe.
