

Brianna Labuskes ~ The Lies you Wrote

I started this book on 12/7/23. Pretty sure this was an Amazon First Read. It's an FBI procedural. This isn't my first Labuskes book.

Raisa, an FBI linguist looks for patterns in the way people write to catch serial killers.

So I finished on 12/21/23. 14 days. Not too shabby. This book wasn't bad. There seemed to be a lot of characters. A family murdered in a small town. Three girls (sisters) survived. Then 25 years later another family is murdered along with several other people. The FBI is there looking into who did it. Turns out Alex (the son who was accused of the family murder 25 years ago and he committed suicide then) wasn't the one who did it.

Most chapters were short. Raisa's chapters were almost too long and I found myself stopping mid chapter some nights.

Overall I'll give this book a 7 out of 10.
