

# Mike Omer ~ Please Tell Me

Amazon First Read. Started on 1/15/24. I really like his style of writing so I think this may be a good one. 1/24/24 and I finished the book today. I couldn't put it down. It got to the sweet spot where everything started coming together and just WOW!

Robin, a single woman therapist, is helping a kidnapped victim. The doll house is giving her clues. Kathy, the victim, doesn't speak so all the clues have to come with how she plays with the doll house. Nathaniel, a cop, is helping Robin with finding the kidnapper. This one was pretty dark. I liked the book a LOT! Giving this one a **9/10**. **9 Days** to complete.
