John Marrs ~ The One

I started this book on 5/17/2024. I've read another book by John this year already. It was good with lots of twists so I hope I enjoy this on too.

I finished on 6/3/2024. 18 Days.

This was a very good book. Are you "matched" with the right one? What if the right one was another male, dying or a serial killer? This book shows what could happen if we were DNA matched with the right partner.

I'm giving this book a 9/10
