

The Other Couple

Book review for The Other Couple by Cathryn Grant:

I just started the book and it already has me hooked. It doesn't take long for the story to develop and characters are revealed for who they really are.

Joe and Skye are two "drifters" who leach onto Brad and Maggie.

Brad is a marriage counselor who thinks his work is his life. Maggie is growing weary of the marriage and has an affair with Darrel.

Joe and Skye are trying to blackmail Maggie into giving them 10k to keep quiet about the affair so Brad doesn't find out.

We will see how the book turns out. It promises a "twist".
