

# Thicker Than Blood by Mike Omer

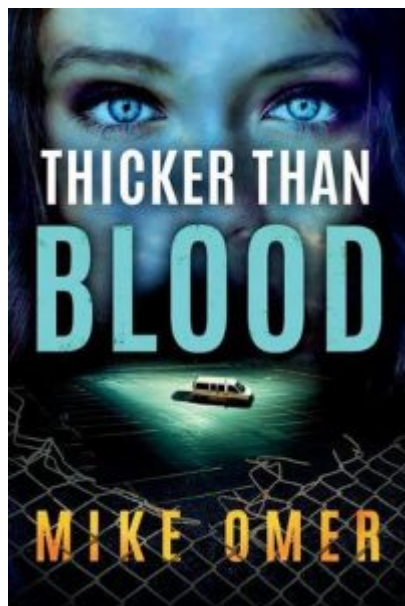

Love his writing. Started this book on 10/18/2021. The Zoey Bentley series is one of my favs.

Wow, this book is DARK! Love the characters, the writing style, the chapter length. I really dig his writing. I'm still only about 75% done with the book but I'm loving it... (11/3/21).

11/7/21...Once I hit the sweet spot of the book I couldn't put it down. Mike may be my new favorite author. 10/10 enjoyment.

Zoe and Tatum did it again. The finally got Glover. The cancer will get him or Zoe will...

Finished on 11/7/21

# Her Perfect Family by Teresa Driscoll

So I started this book right after finishing "All our Darkest Secrets". I started it on 10/4/2021. I've read three chapters so far. I like the chapter style of different people per chapter. This is the first book I've read by this author. This is an Amazon First Read free book. What can I lose?

British writer. Lots of English references that you have to think about to understand.

Characters are well developed.

Daughter shot at Uni graduation. Father, has secrets. Mother, has secrets. Daughter, has secrets. Boyfriend (A) has secrets. Boyfriend (S) don't know yet but is cheating on his wife with daughter. Oh S has secrets. It's not a ScoobyDoo mystery. The ending was surprising.

I finished this book on 10/17/2021. Ending was good. Kind of predictable but I didn't want to put it down. The power was

out so I pretty much read 20% of the book to finish it.

# All Our Darkest Secrets by Martyn Ford

I started this book on 9/15/2021. It's now 9/28 and I'm about 50% done. So far I like it. The characters are easy to identify with and they don't seem to get muddled up. I have a mental picture of all the characters in the book. There's not too many to lose track of who is who. The writing style is a little different than what I'm used to. This is the first book I've read by Martyn Ford.

10/4/21 finished the book. Ending was a bit harsh. Didn't really care for the book. The writing style IMO was just not there for me. I give this book a 6/10

# Nicole Perlroth – This Is How They Tell Me the World Ends

This is a book I heard about on Darknet Diaries. The last book I read from hearing him talk about was amazing! I'm hoping this one will be too.

I started this book on 8/24/2021.

Soooo....There's like 65 chapters in this book. Each chapter seems to tell the same story from a different perspective. This ISN'T a how to hack book but goes deep into political state hacking and the NS0 group. I only made it through like 30 chapters and kind of got tired of the book. I rate this about a 6/10. I may come back and finish it in the future. It also seemed to take me forever to get through what I did read. I'm going back to reading the suspense stuff.

# Chasing the Lion

Chasing the Lion by A.J. Tata

Glenn Beck recommended this book one day on the radio. I found it. Started on 08/08/2021. I finished on 08/23/2021. 16 days. I liked the book. It was a great story. The writing style was a little rough. There was a LOT of name dropping that seemed to “muddy up” the actual characters of the story. There was a lot of action in the book. Sometimes it was beyond believable though. Kind of like Mission Impossible movies. The main character got shot (twice I think) and still managed to beat an Olympic boxer in a final showdown punch out match at the end. Come on man.... The story line was good at keeping my attention. The author has several more books. I might check out one of those in the future. I give the book an 8/10.

# A Familiar Sight

A Familiar Sight by Brianna Labuskes. Another Amazon Free book.

I started this book on the first night of our vacation on 7/26/2021. It took me a couple of chapters (it's a person/chapter book) to get into the characters but once I was in OH BOY!!!!

Reed and Claire Kent are in the upper 1% of wealth in Boston. They have three children. Viola (a phcopath) and the 2 boys. Claire is found murdered and the bloody knife in Viola's dresser. Lena Ford (a lawyer) takes the case but then OD's on drugs before finishing the case.

Gretchen (a sociopath) is a police consultant who knows Lena. She's on the case with another detective called Marconni. They have to solve the case of who killed Claire Kent.

The last 10 chapters are very very gripping.

Enjoyment level 9/10

Finished 08/03/2021

# The Chain – by Adrian McKinty

The Chain

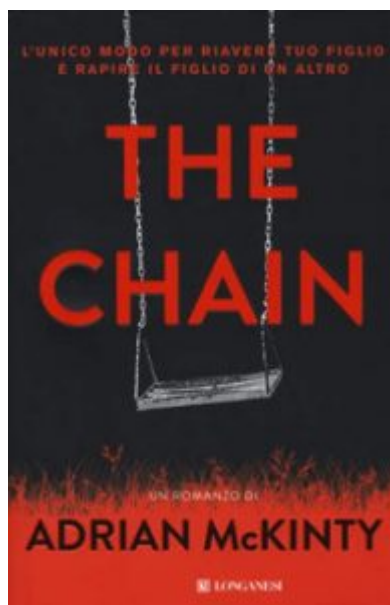

Started on 7/16/2021. Don't break the chain. Your child gets kidnapped and you must pay a ransom AND kidnap someone else's child to NOT break the chain.

7/22/2021

So she did the deeds and she got her daughter back. That's the first 50% of the book. I just finished that chapter last night. So what's the rest of the book about?

7/26/2021

That ending though...She got her daughter back, got the bad guys and lived. Great book I would highly recommend.

# The Best of Friends

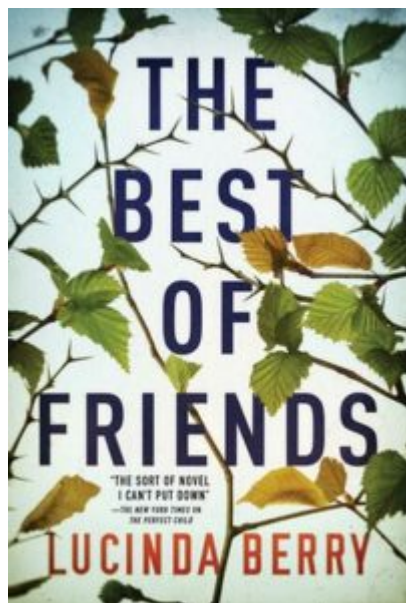

Lucinda Berry – The Best of Friends.

Kendra, Dani and Lindsey have been friends for a very long time (like since grade school) All three with 2 kids, all three with “perfect” husbands. The boys play soccer together and 2 of them are stars of the team. One night while together one of the boys tries to kill the other 2 (I think...) and somehow make it look like a suicide attempt. I’m sure there will be lots of twists in this story. I love Lucinda Berry’s style. She is gritty and doesn’t hold anything back. So I started this book on 7/9/2021 and finished it on 7/16/2021. It was a good read. Like I said before I really like Lucinda Berry’s style.

For me (and some of the other reviews I read (before finishing the book(which I shouldn’t have done))) the characters seem to meld together to much. It was hard keeping track of who was who and who’s son was who’s. The twist at the very end though.....the very end.

I give this book a 8/10. The characters weren’t really well rounded and kind of all on the surface. There were to many times during a chapter that they (the chapter character) would have a flash back and I was like WHAT????

## In the Darkness- Mike Omer

This is the second book in the Zoey Bentley series. I've already read the first book called "A Killer's Mind". I read that one last year so there won't be a review on it. I started this book on 6/18/2021. I finished this book on 7/7/2021. OMG!!! This book was exciting but just due to life it took me longer than usual. I really (REALLY) like Mike Omer's writing style. This book is very suspenseful. It didn't take long to get interested in the story because this is book 2 of Zoey Bentley and she is a bad ass! I'm not going to give too much away but I wouldn't have wanted to be her in this book. She becomes the victim and her sister is victimized at the same time. Different people but MAN.....

Her partner really came through for her and dug up (pun

intended) some very helpful intel to get her sa

## A Killer's Mind – Mike Omer

Started this book on 6/16/2021. I like Mike Omer's writing style. I think I may have read this book before though. This is the first book in the Zoey Bently series. I'm only a few chapters in and so far I like it. There are a lot of themes in the first few chapters of very similar books that I've read.

So....I actually have already read this book. It was really good. I'm going to NOT count this as a book read this year.

I will start book 2 in the series today. 6/18/20
